

Talbot Automatic Door and Gates
Standard Bi-Fold Gates

Relative Levels - To account for the fall in the driveway.

RL 1 - LHS front level

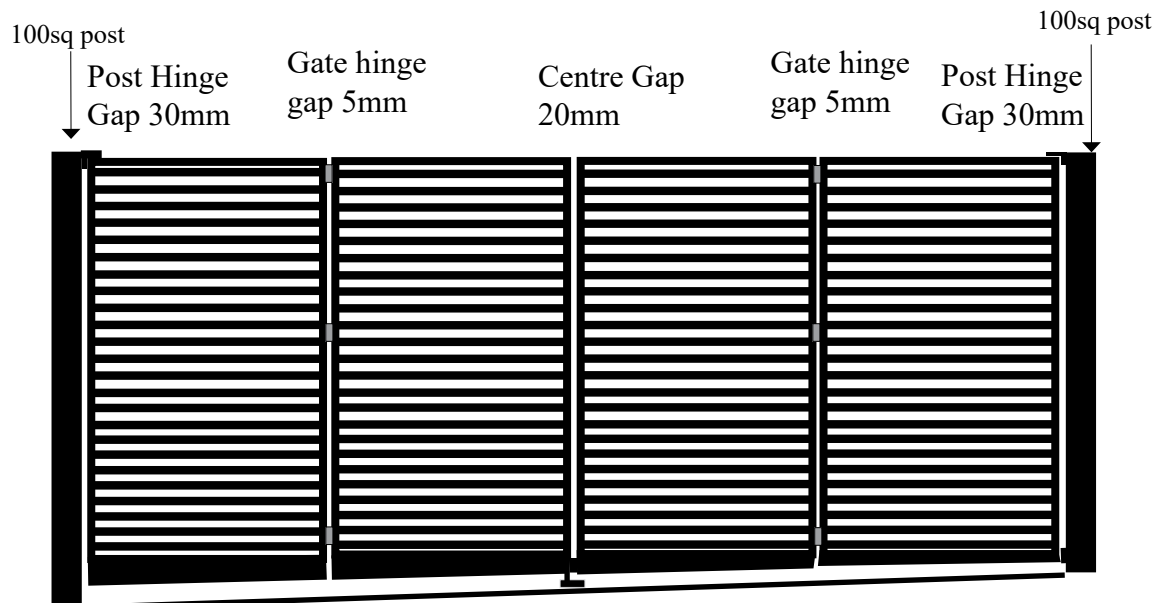

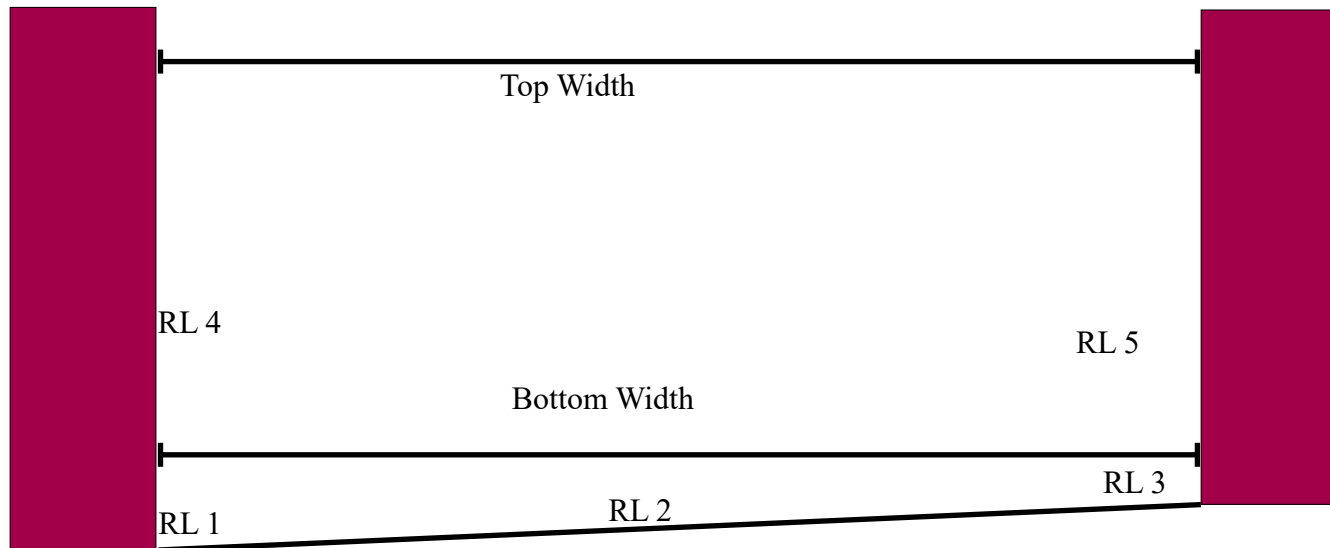

RL 2 - Centre level

RL 3 - RHS front Level

RL 4 - LHS back of Arc level (1.4 driveway width)

RL 5 - RHS back of Arc level (1.4 driveway width)

Gate leaf = total width less
200mm post
35mm x 2 hinge gap = 70mm
20mm centre gap
Total 290mm

Post Height -
Top hinge allowance 25mm
Bottom hinge and sprocket allowance 60mm

Post height = leaf height plus 85mm
